Chess

Playing Rules

1. Game time = 30 min (classic).
2. The participation is open to all HCG Employees as per the general rules as stated.
3. The use of Phone app for Chess Clock is allowed.
4. Players who reports late by more than 5 mins automatically forfeit their game.
5. Players should move the piece that they touch. One breach will be allowed per game.
6. Players need to say "adjust" loudly before adjusting their pieces on the board.
7. "En passant" is allowed.
8. Winner checkmate the opponent within the stipulated time OR if the opponent has run out of time.
9. Draw if both players repeat their moves three times in a row. If a draw happens in the elimination rounds, then players will play a 10 min game to decide the winner.
10. The tournament is played on the Eliminator concept. Winner continues to progress until the final. Losers get another chance and can progress if they win. Players are knocked out after the second loss.
11. We will try to play as many games as possible depending on the number of chess boards that are available. Please bring your own board if you can.
12. Any disputes will be decided by organizers.

The game will be governed and played in accordance to the Rules and Regulations as per International Chess Federation.
